

KINGSMEAD SCHOOL

From the Headmaster
Mr M G GIBBONS B Comm MSc QTS

Founded in 1904

September 2018

Dear Parents,

Kingsmead School Scholarship

Kingsmead School has had a long tradition over 100 years of making generous Scholarship awards. These awards are given in recognition of proven talent in the areas of Sport, Music and Art and allow the candidate to benefit from a range of 10% to 50% reduction of tuition fees.

A Kingsmead Scholarship is a very prestigious award and we have high expectations of our scholars including a commitment to extra-curricular activities, representation of the School at external events and above all, leadership appropriate to their award.

Scholars may enter the School from any stage, Year 5 onwards.

For entry into Kingsmead School in September 2018, the scholarship process will take place on **Friday 16th November 2018**, with candidates spending a day at the school. Candidates will meet the Headmaster and during their stay they will be assessed by the various heads of departments.

An application form and guidance notes are attached and should be completed and returned to Mrs Kathy Buglass, Headmaster's Secretary, no later than **Wednesday 7th November 2018**.

If you would like to discuss any aspect of our scholarship process in greater detail, please contact the School on 0151 632 3156 or email kbuglass@kingsmeadschool.com.

Yours faithfully,

Mark Gibbons
